

It's almost time for school, but Huey, Dewey, and Louie are still in bed.

Find the sticker of Daisy. Put her next to the bed.

There's only one monkey in the cage.

There should be five. Find the other four monkeys and put them in the cage, too.

The monkeys are all scratching themselves ... and look!

So is Louie!

← the lion's crown

← the teacher

Huey, Dewey, and Louie are sitting at their desks.

But where's the teacher?

Put her in front of the blackboard.

How much is 2 and 2?

2 + 2 = 4

I think Huey knows the answer. He has his hand up.

The lion is the king of all the animals.

But wait! Where's his crown?

It's the sticker for Lesson 3.

Put it on the lion's head.
