

## 6 << Chip and Dale >>

Guess what the last sticker is. It's Chip & Dale ... the peanut thieves! But now the zookeeper's helpers! Put them in the tree by the shed.

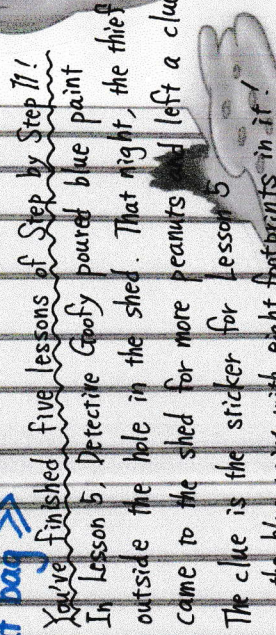

### Step 1

It's a peanut bag, but it's almost empty. Most of the peanuts are missing. Put it in the shed. Mickey the zookeeper looks very surprised.

## 1 << a peanut bag >>

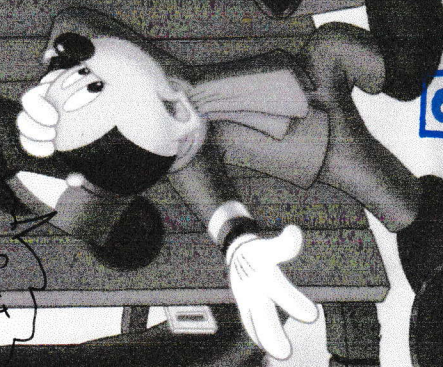

You've finished five lessons of Step II! In Lesson 5, Detective Goofy poured blue paint outside the hole in the shed. That night, the thief came to the shed for more peanuts and left a clue. The clue is the sticker for Lesson 5 ... the blue paint with eight footprints in it! Put it outside the hole.

Put it outside the hole.

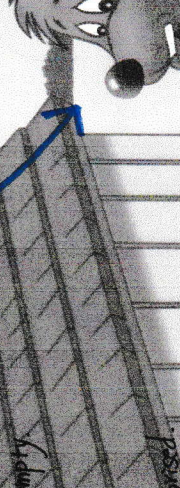

## 2 << Detective Goofy's big green bag >>

Before Goofy went to the zoo, he packed the bag with all kinds of things, he might need to find the thief. Give it to him. When you're a detective, you never know exactly what you'll need.

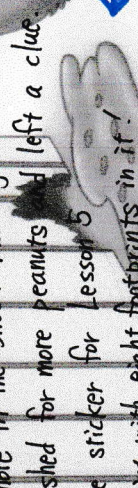

## 4 << the bear >>

Put the bear at the front of the line.

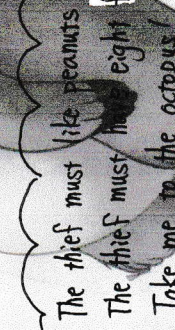

You've finished Lesson 4! Only two more lessons to go! Mickey and Goofy had all the animals stand in line by the hole in the shed. One by one, they tried to reach the peanuts, but none of them could. The sticker for Lesson 4 is the bear.

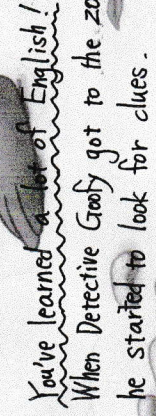

## 5 << the blue paint with 8 footprints >>

The thief must like peanuts. The thief must have eight feet! Take me to the octopus!

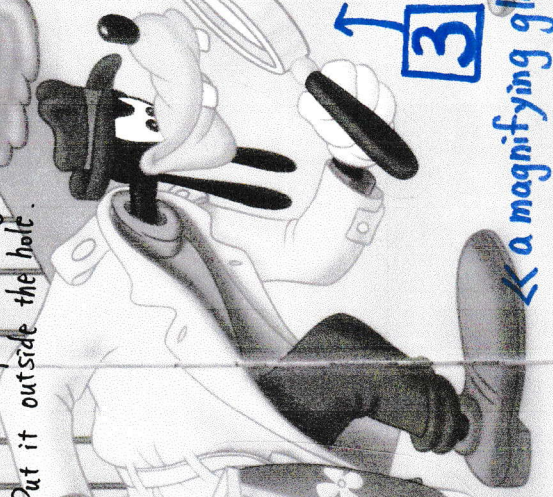

You've learned a lot of English! When Detective Goofy got to the zoo, he started to look for clues.

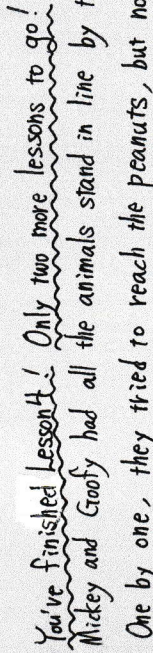

The sticker for Lesson 3 is a magnifying glass. Give it to Detective Goofy.
